

Dear Mayor Gimenez,  
I don't anything for  
Christmas, but one of  
my wishes/desires is  
to keep my family  
protected. Not just my  
family but our immigrant  
Community. The holidays  
were and are meant to  
be together, to spend the  
holiday as a family.  
Help me get my wish  
come true! ;)
